Cambria Center for the Arts (CCA) welcomes artists to apply to become one of our featured artists. Each of our shows lasts approximately two months. In addition to the works on display by the featured artist, a call-for-artists will be extended to other members and non-members for inclusion in the show, but will be located in another location within the gallery.

### Requirements

- Submit a written artist profile and at least 5 high quality electronic images of your artwork to the Gallery Exhibit Development Coordinator, Cindy Stiles at cindystiles9@gmail.com.
- As a featured artist, you will be required to become a member of CCA if you haven't already done so already.
- At least 75% of featured artists' works must be for sale.
- Artists are responsible for hanging their own show with the help of CCA. If they chose not to curate their own work, there will be a \$100 hanging fee.
- Artists are responsible for being present at the opening reception and talking about their work.
- You can be a featured artist only once every three years. The same work of the artist cannot be exhibited more than once a year in the CCA Gallery. This limitation does not apply to work previously exhibited at other CCA sponsored exhibits (for example, Art and Wine Festival).
- CCA retains 30% commission on all sales. Commission checks are sent out before the end of the following month. You will be required to submit a W-9 form in advance (provided in the Featured Artist Packet).

CCA Gallery has several shows that occur every year or on alternating years. CCA cannot guarantee your preferred month to exhibit, but will make every effort to coordinate with artists.
